

Climate Sunday

St. James Harvest Festival

9th October 4.00 p.m.

In **WORSHIP** we are **Holding a climate-focused service to explore the theological and scientific basis of creation care and action on climate**, to pray, and to commit to action. We have registered our service so we are counted in!

COMMITTED our local church community to taking long term action to reduce our own greenhouse gas emissions. We have joined with the **Eco Church** programme awarded **BRONZE** working towards **SILVER** committed to carbon net zero by 2030

SPEAK UP we have read and signed **The Climate Coalition's 'The Time Is Now' declaration** as a church and you can too as an individual. **Using our voices to tell politicians that we want a cleaner, greener, fairer future at the heart of plans to rebuild a strong economy.**

Celebrate

Sunday School Children's freshly baked loaves

made to share along with your donated homegrown produce, pickles & preserves

all in aid of The Friends of The Children of Tanzania
