Please pray for

- the vital role of scientific research in understanding climate change
- those suffering the effects of climate change throughout the world
- for patience and courage that we may never lose hope
- those finding the words of Jesus difficult to hear "*Take heart, it is I; do not be afraid.*"
- for the raising up of priests, of lay leaders, of licensed lay ministers

Collect

Lord of heaven and earth,
as Jesus taught his disciples to be persistent in prayer,
give us patience and courage never to lose hope,
but always to bring our prayers before you;
through Jesus Christ our Lord.

Post Communion

God of our pilgrimage,
you have willed that the gate of mercy
should stand open for those who trust in you:
look upon us with your favour
that we who follow the path of your will
may never wander from the way of life;
through Jesus Christ our Lord.
